

# Privacy Policy

This statement applies to the companies known as BlackGOLD

## Collection of information.

BlackGOLD will collect only that information required for the business activities of BlackGOLD. When personal information is collected it will be with the consent of the person involved and the purpose of collection will be identified.

When you visit this website, our website hosting company, makes a record of some information for statistical purposes. This includes:

- Your top-level domain name (eg. .com, .au, .uk, etc)
- The date and time of your visit,
- The pages accessed and documents downloaded.

This website does not use cookies.

## Use of information.

Personal information collected will only be used for the business activities of BlackGOLD. Any other use will only be undertaken after the consent of the person concerned has been granted.

## Disclosure of information

Personal information will not be disclosed to a third party, outside BlackGOLD unless:

1. the person involved has consented to the disclosure;
2. the third party is an agent or contractor of one of those companies and is required to keep the information confidential;
3. the disclosure is required, permitted or authorised by or under law; or
4. the disclosure is necessary for the enforcement of criminal law, a law imposing a pecuniary penalty, or for the protection of public revenue.
